CALL FOR ABSTRACTS
AMERICAN PUBLIC HEALTH ASSOCIATION
ORAL HEALTH SECTION

The Oral Health Section of the American Public Health Association invites the submission of abstracts for individual paper presentations, poster sessions, roundtable discussions, or invited panels for the 1998 Annual Meeting. The meeting will be held November 15–19, 1998, in Washington, DC.

Suggested topics include, but are not limited to: community-based models of oral disease prevention and health promotion, oral health and managed care, cost effectiveness of public oral health programs, oral health services research, quality assurance, services for special and high-risk populations, integration of oral health with primary care, school-based oral health programs, oral cancer, oral disease epidemiology, infection control, HIV infection, rural health, and international collaboration. Joint sessions and sessions cosponsored with other sections, special interest groups, and caucuses are encouraged. Ideas for invited sessions and panels also are invited. Abstracts will be selected through a rated review process according to significance, timeliness, and overall quality.

Detailed information and instructions for completing abstracts can be found in the November 1997 issue of the *American Journal of Public Health* or requested from Ms. Linda Crossett, 1998 Program Chair. Abstracts must be received by February 10, 1998. All abstracts must be accompanied by a self-addressed, stamped postcard to notify the submitter of receipt of the abstract, and a self-addressed, stamped envelope to notify the submitter of the decision on the abstract. Delete author and affiliation information from two copies of the abstract that will be submitted for blind review, but not from the originals. Submit two original and three blinded copies of abstracts to Linda Crossett, 5699 Little Oak Trail, Stone Mountain, GA 30087. Tel: (770) 488-3214. Fax: (770) 488-3111. E-mail (not for submissions): LSC4@cdc.gov.
